

Respondent.

Case No. CIV-20-1209-F

ORDER

The Report advised petitioner of his right to file an objection to the Report by April 14, 2021. The Report also advised that failure to make timely objection waives appellate review of the factual and legal issues addressed in the Report. No objection to the Report has been filed and no request has been made for an extension of time within which to object.

Having reviewed the Report, and with no objection having been filed, the court concurs in the recommended ruling as stated in the Report. Given the detailed analysis set forth in the Report, there is no need for further discussion here.

Accordingly, with the correction of one date,¹ the Report is **ACCEPTED**, **ADOPTED** and **AFFIRMED**. As recommended in the Report, the petition is **DENIED**.

IT IS SO ORDERED this 29th day of April, 2021.
